# **BATTLE AXES OF THE LORD**

TEXT: JER. 51:20 – “Thou art my battle axe and weapons of war...”

God does not only save people; He also raises people as instruments of use in His hands.

A battle axe is a weapon used to break, cut down, and overcome opposition.

When God calls someone His battle axe, He is declaring that the person has been chosen, empowered, and positioned for divine purpose.

# God Chooses His Battle Axes

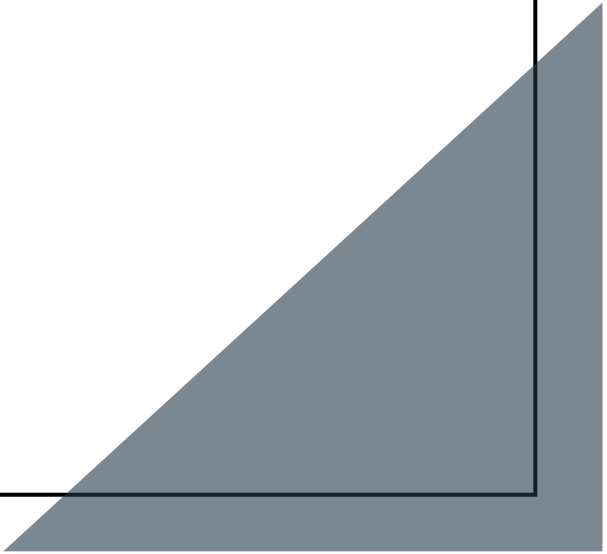

The battle axe does not choose his/herself; the master chooses.

- God chooses ordinary people for extraordinary assignments.
- Your background does not disqualify you from God's purpose.
- Divine selection comes with divine responsibility and empowerments. 1Cor.1:26-29
- You are not chosen merely to be blessed; you are chosen to become a blessing and an instrument in God's hands.

# A Battle Axe must remain in the Master's hand

A weapon is effective only when it is controlled by the one who knows how to use it.

John 15:5 teaches that apart from Christ, we can do nothing.

- Stay connected to God.
  - Submit your plans to Him.
  - Allow the Holy Spirit to direct your steps.
  - Do not move ahead of God's instructions.

Some people believes that because Jesus is the lamb of God we too must behave like lambs too but seem to forget that same Jesus overturned tables and chased out those buying and selling in the house of God.

We are not talking about our lives alone but also our homes, cities and our nation at large as battle axes we should not tolerate the devil but pray like warriors.

When we pray as warriors it's not just for ourselves but for our children too

As a mountain mover God is telling us that we are already battle axes in Jesus' name.

Examples of some battle axes of the Lord in the bible;

1. **Moses**—He was a mountain mover who took the people of God across the red sea. Isaiah 11:1-2 – For Moses it was a rod in his hand which created a way where there was no way that same rod is Jesus Christ according to the book of Isaiah and that name is still available to us.

Can someone shout Jesus.....

It is my prayer that as we use that name God will make ways for us in Jesus' name.

**2. Joshua** - The wall of Jericho was blocking his way. This wall was built by the people to stop Joshua. The wall of Jericho can be represented as organized resistance in some offices who can set bars that thus far you can go and preventing us from moving forward to fulfil purpose or getting to our promise land.

Joshua 6:20-The wall came down. By the power in the name of Jesus every organization made by man to stop us from getting to our promised land or fulfilling purposes will come down in Jesus' name amen. Kindly note that after Jericho wall came down there was a decree from heaven that the wall will not be rebuilt. So shall it be for us all in Jesus' name Amen.

Ps 68:1-3 (when the children of God were praising the Lord the wall of Jericho fell flat)

3. **David**- 1 Sam 17:1-51. The story of David and Goliath which is important for those of us dealing with terrorists in our nation. Goliath terrorized the army and people of Israel for 40 days until one young boy named David showed up as a mountain mover in the name of the Lord and delivered the nation from the terrorist. David used stones against Goliath which is also the rock vs 45. Ps. 18:2; 1Pet.2:6-8

4. **Elijah**—1Kings 17:1—he said there will be no dew no rain “according to my word” and it happened that way, but God hid him and ensured the ravens brought him bread and meat to sustain him and when the brook dried up God arranged widow of Zarephath to feed him.

5. **Paul** – He was formerly Saul who was persecuting Christians before God arrested him and became a mighty battle axe in the hand of God Acts 19:11-12-- God gave Paul the power to perform special and unusual miracles of healing and expulsion of evil spirits with the use of headkerchiefs and aprons from him.

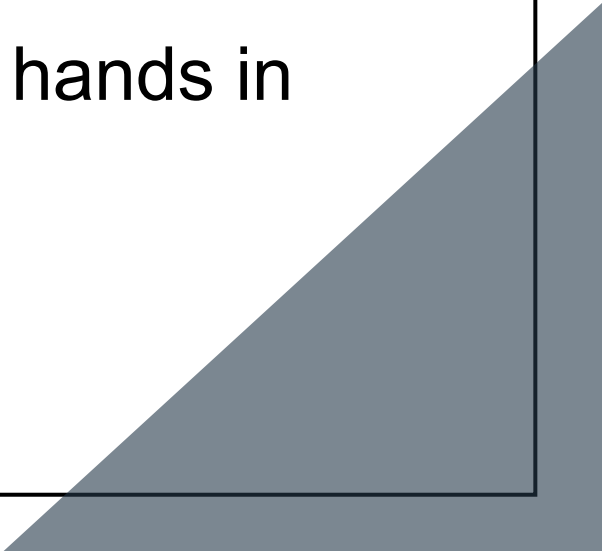

6. **Elisha** – Elisha was minding his business when some children came to mock him, and it was recorded in 2Kings2:23-24 that he cursed them in the name of the Lord. Thus, his mockers were silenced forever. It is my prayer that all our mockers shall be silenced forever in Jesus' name.

Isa. 54:15-17 – No weapon fashioned against us shall prosper in Jesus' name and anything or situation asking where our God is, the Lord will arise and show them. Amen.

# CONCLUSION

- We are all battle axes in the hand of the Lord, and we must guard our axe head from falling and peradventure it had fallen already please run to God and ask for restoration.

## Prayer

- Help me Lord to continually be a battle axe in your hands in Jesus' name. Amen.
